

Gymnastics Online

The best way to register your athletes

- Direct access to the national database
- Transfers administered online
- Export reports to Excel or Word
- Web Content Management System
- No software to install
- Membership reports available
- Club email address and website
- Club IT Helpdesk

What Gymnastics Online Offers Your Club

Gymnastics Online (GOL) now provides subscribers with more reports, better class and membership management and a new Club website.

Gymnastics Australia is pleased to be able to provide and host a new Club website available to all affiliated Clubs. The new website template includes a user-friendly Content Management System, event calendar, electronic newsletter functionality and streaming of State, National and International news.
